They could not directly tell us what to do but did say that if it was just a typo it could be taken care of at the first meeting in July, but if it was anything else then it would need to be taken care of before July 1, 2009 or it could be a write-up by the auditor. **Motion was made by Commissioner Ginn, seconded by Commissioner Edwards and carried unanimously to rescind Ordinance O2009-7 Budget Amendment VII adopted during the regular meeting of June 24, 2009.**
6. **Consider approving the year-ending FY2008-9 Budget Amendment: Ordinance 02009-7 Budget Amendment VII** - Miss Grant went over a spreadsheet (a copy hereby incorporated by reference and made a part of these minutes) that she had prepared and explained the increases and decreases in the general fund as presented in the revised Budget Amendment VII (a copy hereby incorporated by reference and made a part of these minutes).
